🌐 priyanshugangwar73

Motivated and detail-oriented BCA Final Year student with a strong foundation in computer science principles and programming languages like C, C++, and Python. Proven ability in problem-solving and team management, combined with a strong work ethic. Passionate about Artificial Intelligence and Software Engineering, seeking an entry-level opportunity to contribute to innovative tech solutions and rapidly upscale technical expertise.

Projects and self initiatives

1. Python Learning & Mini Coding Exercises | Ongoing

- Developing foundational logic skills by writing algorithms and solving basic computational problems in Python.
- Understanding variables, loops, data types, and functions to prepare for AI/ML tracks.

2. Operational Management & Resource Allocation | Family Agricultural Management

- Managed daily fieldwork operations, resource planning, and hands-on execution for family agriculture.
- Developed strong physical endurance, supply coordination, time management, and real-world problem-solving skills under challenging environments.

Education

- Bachelor of Computer Applications (BCA) | Final Year (Expected Graduation: 2027)
 - | Bareilly College, Bareilly
 - | Current Aggregate: 75%
- Higher Secondary Education (Class XII) | UP Board | 2024
 - | SDRD SVM Inter College, Baheri
 - | Score: 80%
- Secondary School Education (Class X) | UP Board | 2022
 - | SDRD SVM Inter College, Baheri
 - | Score: 86%

Skills

• TECHNICAL SKILLS

1. Programming Languages: C, C++ (Academic Proficiency), Python (Basic & Actively Learning)
2. Productivity & Tools: Microsoft Office (Excel, Word, PowerPoint - Learning Core Functions)
3. Technical Concepts: Object-Oriented Programming (OOPs), Data Structures, Basic Data Analysis

• SOFT SKILLS & COMPETENCIES

1. Core Skills: Quick Learning, Problem-Solving, Effective Communication, Adaptability
2. Execution: Standard Typing Speed, Team Management, Critical Thinking

• LANGUAGES

1. Hindi (Native)
2. English (Professional/Basic)
